Astorg Completes Acquisition of OPEN Health From Amulet Capital Partners

LUXEMBOURG & GREENWICH, Conn. & LONDON -- Astorg and Amulet Capital Partners (“Amulet”) today announced that they have completed the previously announced transaction whereby Astorg has acquired OPEN Health, a leading global provider of scientific communications and market access services to the pharmaceutical industry.

Established in 2011 and with more than 1,000 employees in 15 locations and six countries, OPEN Health leverages its extensive scientific knowledge and relentless focus on quality to deliver best-in-class scientific communications, health economics and outcomes research (HEOR) and market access services for more than 170 life sciences customers. OPEN Health’s existing management team will continue to lead the organization, building on a strong track-record of organic growth and strategic acquisitions.

“The past three and a half years have been the most successful, exciting years in our company’s history, and we are appreciative of the support and partnership Amulet has provided over the course of our relationship,” said Rob Barker, CEO of OPEN Health. “We are eager to work with the Astorg team as we continue expanding our capabilities and product offerings to deliver best-in-class scientific communication services to our customers.”

“We are thrilled to officially welcome OPEN Health to the Astorg family and look forward to working with Rob and his talented team in continuing to build a global leader in the medical affairs and market access space,” said Judith Charpentier, Partner and Head of Healthcare at Astorg. “OPEN Health’s industry-leading expertise is only becoming more important for today’s pharmaceutical products, and we see a number of opportunities to further support the company’s diverse and growing customer base.”

“Our investment in OPEN Health embodies Amulet’s comprehensive value creation approach: we partner with exceptional management teams to build industry-leading businesses in the most attractive subsectors of healthcare,” said Ramsey Frank, President and Managing Partner of Amulet. “We are pleased to complete this transaction and are confident OPEN Health will continue to experience continued growth and success in partnership with Astorg.”
